We provide a gathering place where people can connect with each other, creation and to the love of Christ.

Personable Service

We are friendly, fun, joyous, helpful and responsive. We demonstrate genuine Christian love and hospitality. We customise our service to best meet the specific needs of our guests.

Strong Relationships

We have strong relationships among our team, volunteers, suppliers, guests, Christian community and wider community. We are connected, constructive and learning together.

Integrity

We are Christian in how we 'do business'. We are honest, transparent, professional and seek excellence in all areas of our work.

Sustainable

We seek to faithfully steward God's beautiful creation in our Katoomba home and to be financially sustainable, so as to continue to maintain and improve our home for future generations.
